

# EOU 2024 Fall Calendar for High School Students

EOU has many opportunities for high school students to see what their future can look like. The Fall calendar will guide you to opportunities for specific populations of students and staff.

## FACULTY VISITS

Faculty are available to come to schools and classrooms directly. Fill out an interest form: <https://forms.eou.edu/Forms/EOU-Faculty-High-School-Visit-Request>

## September

### 11th and 12th Dual Credit Orientations 4:00-4:30

All EOU dual credit- teachers except for Biology teachers who have already completed their training are required to come to one of these orientations in order to have their courses created so high school students can get credit in their respective schools. **(Population: Dual Credit teachers Fall/Winter)**

## October

### 8th Mountie Connects (Wallowa High School)

Mountie Connects provide high school students the opportunity to connect directly with Eastern Oregon University faculty and staff! Mountie Connect events are focused on career and college exploration while enjoying a variety of sessions in which they will experience presentations, panels, and hands-on learning!

**(Population: 9th-12th grade students from your region)**

### 11th Teacher Work Day (PLC Fall Meetings)

Many of the Fall PLC meetings for the dual credit teachers will take place on this day. Teachers are expected to be at both the Fall and Spring PLC meeting as an agreement with EOU to teach the University's courses. **(Population: Dual Credit teachers - All)**

### 15th HS Counselor's Conference Day @ EOU

The purpose of our Counselor Conferences is to provide updates on new programs and policies that impact your students at our institutions, to learn more about federal financial aid changes, and scholarship and need-based grant program changes at the state level. **(Population: Counselors)**

### 18th Preview Day

Spend a half-day on campus attending our open house event! What is a Preview Day? It's an event designed to give you valuable insight into the many amazing opportunities available at EOU! We hope you'll take advantage of this occasion to spend a fun and informative half-day with us on campus in La Grande, Oregon.

**(Population: High School Juniors and Seniors)**
