HOMETOWN: **Heppner, OR**  
STUDYING: **Nursing**

An athletic scholarship from EOU Cross Country/Track and Field has helped me in numerous ways. With my scholarship, I am able to focus on my athletics and academics without the financial

stress. It also encourages me to be the best I can be by performing well and keeping a good GPA. It gives me more time to do other activities such as applying for nursing school, participating in community events, socializing with my teammates, and enjoying what Eastern Oregon has to offer. I have grown to love La Grande and plan to stay here so I can give back to the community that has given me so much support.

## GARRETT HAWKES

HOMETOWN: **Ashton, ID**  
STUDYING: **Health & Human Performance**

Being given the opportunity to attend Eastern Oregon on an athletic scholarship has helped to fulfill my childhood dreams of becoming a collegiate athlete.

This scholarship pushes me to be the best I can be on the court and off the court as a thank you to those that awarded it to me. This opportunity has been a blessing. As an athlete, student, father, and husband I can go to school and focus on my education without the financial stresses of providing for my family influencing my grades and performance in my sport. After graduating my plans are to pursue a career in chiropractics. It is because of my athletic scholarship that I am building a foundation for my future.

## MYLIE MILLS

STUDYING: **General Studies-Exploratory**

Having an athletic scholarship at EOU has given me the opportunity to earn a great education and continue what I love doing most; being a part of a great team and

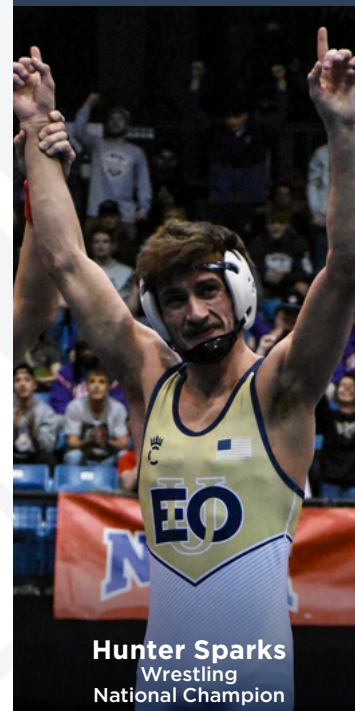

competing at the highest level in both volleyball and basketball. I will be forever grateful for everything that EOU has provided for me thus far and I cannot wait to continue my education and athletic journey here.
