

**Eastern Oregon University
Residence Life Office
Room and Dining Contract 2024-2025**

Introduction: Please read this Contract carefully. It is a legally binding Contract and contains important information. *You may not alter this Contract in any way.* The Contract is for a space in the EOU residence halls. By signing this Contract, you agree to accept your residence assignment and understand that this assignment may change. Once you receive a key to your assigned residence you are considered to have taken occupancy, regardless of whether or not you have moved your belongings into the room. You also agree to familiarize yourself and comply with all University policies governing occupancy, including those set forth in this document and the Student Handbook available online at <https://www.eou.edu/student-affairs/student-handbook/>.

- 1. Make sure you have all of your questions answered before you sign and submit the Contract form. Remember, ignorance of the law (and this Contract) is not a viable justification for failure to comply with all of the terms and conditions of the Contract.**
- 2. Except in regards to the Live-in Requirement, only the Director of Residence Life or their designee can make exceptions to the Contract. If you wish to request an exception, follow the petition policy as outlined in the Contract.**
- 3. If you have any doubt about the meaning of any specific provisions of the Contract, or require an alternative format, please contact the Residence Life Office at (541) 962-3553 or reslife@eou.edu.**

I. Terms and Conditions

A. Live-in requirement

New students: All admitted first-year students who enroll at EOU within one year of high school graduation for 8 credits or more regardless of class standing **MUST** live on campus for the full academic year (fall, winter, and spring terms). Students beginning winter or spring terms must live on campus for the remainder of the academic year.

International students: All undergraduate International students in their first year of study in the United States are required to live on campus during their first year at EOU.

Exceptions to this requirement must be requested by petition.

Exceptions to the Live-in Requirement include:

1. Living at home with parents, legal guardian, grandparents, or brother/sister within the Union County boundaries.
2. Marriage or a registered domestic partnership.
3. Enrolled in an academic program that is housed outside Union County or requires students to live out of the area.
4. Have a dependent that is living with you.

Other exceptions will be evaluated, but are generally not approved. If a waiver of the live-in requirement is approved after move-in to the residence halls, the cancellation of contract procedures outlined in the Room and Dining Contract will apply.

B. Eligibility

Housing at EOU is provided to fully-admitted undergraduate, graduate, or professional studies students enrolled in at least 8 credits per term. Failure to maintain at least 8 credits a term may result in cancellation of the contract. The terms listed under Cancellation of Contract below will still apply in this case. Residence Life reserves the right to refuse housing accommodations to any student who has University Code of Conduct sanctions that suspend or deny the privilege of living on campus or delinquent accounts for housing-related charges.

C. Assignment Process, Room Change, Refusal of Roommate

1. A \$250 housing deposit is required to secure a housing assignment. The deposit will be released to the student account after the student checks out of the housing. In the case that there is a balance on the student account the deposit will be applied to that balance.
2. Residence Life assigns students to house based on the date that a completed application, contract, and deposit are received. Residence Life accommodates students' preferences for room assignments when possible but does not guarantee assignments based on preferences. Failure to receive an assignment by mail does not cancel the contract. If the student does not receive an assignment by September 4, 2024, contact the Residence Life Office for further instructions.
3. Changes in room assignments may be made through the Residence Life Office. Students must reside in the room to which they are assigned. Residents who transfer rooms without being approved by the Residence Life Office will be asked to transfer back to their assigned rooms. A \$50 fee and referral to the student conduct system may also result.
4. If there is a vacancy in a student's room during this contract, refusal (including, but not limited to, verbal, behavioral, or other means of rejection) of a roommate or unwillingness to work with Residence Life in finding a roommate or moving rooms may result in the student being required to pay an increased room rate in addition to possible Code of Conduct charges or room reassignment.

D. Cancellation of Contract

Residents agree to live in the Residence Halls during the period of the academic year, beginning September 18, 2024, through June 13, 2025 (or the remainder of the Academic Year through June 15, 2025, if check-in occurs after the Academic Year begins).

New Applicants:

Prior to check-in, new applicants must cancel their housing application in their Housing Portal or notify the Residence Life Office in writing of their intention to cancel their contract no later than August 13, 2024, for an annual contract beginning fall term, December 13, 2024, starting winter term, and March 13, 2025, for the spring term. After these dates, a \$250 cancellation fee will be charged.

Current Residents:

After check-in, residents may only be released from their contract for any of the following reasons:

1. Graduating from EOU;
2. Participating in a university-planned educational leave program (such as study abroad);
3. Dismissal from EOU for academic reasons (dismissal for inappropriate conduct is specifically excluded); or
4. Being denied admission to EOU

If a student does not meet the above criteria for release from the contract, an \$8 per contract day fee from the day of check-out through June 13, 2024, will be charged and applied to the student's account.

E. Exceptions to the Contract

Exceptions to the contract may be requested by petition. Petition forms are available at the Residence Life Office and also on the Residence Life webpage. Petitions are reviewed on an individual basis based on personal circumstances. Exceptions granted to any provision of this contract will not be construed as waivers of any other provisions. The final determination on such petitions is at the discretion of the Residence Life Office.

F. Contract Modifications, Breach, and Remedies

Noncompliance with the Room and Dining Contract may result in disciplinary action under the Student Code of Conduct, applicable financial obligations, and/or eviction from the residence halls. Residence Life may move residence hall students as necessary.

The contract may be changed, modified, or amended by Residence Life for any of the following reasons:

1. When behavior requires inordinate attention from staff members, roommates, or community members
2. When activities endanger your health, safety, or welfare, or the health, safety, or welfare of others
3. When gross and/or disruptive behavior is present
4. When student status at EOU ceases regardless of the reason
5. When EOU rules and/or the Residence Hall Contract have been breached or violated
6. When there is a violation of the Code of Conduct, the Residence Life Contract, or abuse of facilities, violators will also be subject to disciplinary action, prosecution, and legal and/or replacement fees as deemed appropriate by University officials. Residents may also be subject to disciplinary action due to the action of their guests.

The Vice President of Student Affairs or designee reserves the right to remove the student from the residence halls if it is in the best interests of the student or other students at EOU.

Concurrent to, or separate from, any conduct proceeding, the Director of Residence Life or designee may deny or revoke the housing privileges of any student found in violation of the provisions of this contract: this includes, but is not limited to, moving students to other rooms or buildings.

G. Interruptions of Service

Residence Life nor EOU are responsible for the continuation of food, mail, custodial, heating, maintenance, or security services at normal levels in the event of a natural disaster, strike, or lockout of public employees or suppliers' employees, power-water-sewer interruptions from on- or off-campus sources, or in the event of any other causal event beyond the control or reasonable anticipation of the Residence Life Office or EOU.

H. Eviction

If a resident is evicted for non-payment of room and board charges or under-enrollment, the Cancellation of Contract terms apply. If the resident is evicted for misconduct, an \$8 per contract day fee will be applied from the date of eviction through June 13, 2025.

I: Liability

1. Neither Residence Life nor EOU is responsible for loss or damage to personal property in rooms, public areas, laundry, or storage rooms.

K. Charges/Fees

1. Room/board rates appear in the Room and Board Rates sheet.
2. Students who live in the residence halls less than the full term will be assessed room and board charges on a prorated basis by the day, except under the following circumstances:

 - b. Moving into the residence halls during the last ten days, residents will be charged for a minimum of ten days.

4. In addition to the room and board charge is a required fee for social, educational, and recreational programming for the residential community. This fee is \$10 per term. This programming effort is administered by Residence Life staff with significant input from the residential community. This fee is non-refundable and is paid in full at the beginning of each term.
5. Residents agree to pay EOU for all room and dining charges including reasonable collection fees and interest charges for past due amounts. Specific details of billing practices may be obtained from the EOU Student Accounts Office.
6. EOU has authority to modify charges during any academic year if cost expectations on which charges are based substantially exceed present estimates. This includes any substantial increase in energy costs.

L. Food Service

Residents living in North Hall, Daugherty Hall and first-year students in Alikut Hall are required to be on a Residential Dining Meal Plan. Alikut and Eocene residents may elect to be on one if they wish. Only meal plan participants and paying individuals are allowed in the all-you-care-to-eat dining area. For meal plan participation, a University ID with an active meal plan must be presented to the cashier to utilize meal service. Lost cards must be *immediately* reported to the Residence Life Office. Meal plans are non-transferable except where permitted by the Swipe Out Hunger Program.

If you wish to change your meal plan, those changes must be requested through the Residence Life Office in advance of the term or during the first two weeks of each term. Resident meal plans are purchased for each term and are not transferable term to term or to a third party. Alikut and Eocene residents, who are not first-year students, may choose one of the available commuter meal plans. Commuter plans have a one-time, non-refundable charge and are good from the date of purchase through June 13, 2025. Additional plans may be purchased throughout the year as needed.

For health reasons, shirts and shoes must be worn in the dining room. Students are asked to take used dishes to the dish return window. Dishes, glasses, and utensils must not be taken from the dining room.

The last meal served at the end of each quarter is dinner on Thursday of finals week. The first meal of the Fall Term is dinner on the day of regular check-in.
